Description

This fragrance is perfect for Mum to freshen her space after

DAD has used the toilet!

Once fresh, she can enjoy a relaxing bath... She can lay back and not have to worry about her hair getting wet – as it is in an Up-do with the popular Linzi Clip (Google it for more impressive details). Mum can then enjoy the beautiful Australia Made quality soap from Naya – Colonial Girl (RRP \$6.95) with her posh Polka Dot Exfoliating Glove and Bath Puff.

Mum is sure to sigh with relief at the very sight of this gift pack.
