Description

Add a little Sparkle to Mum's Day!

This silver and gold toned diamante butterfly pendant is encrusted with sparkling crystal diamantes and will make a lovely keepsake gift for Mum.

It has a somewhat unique design, as the pendant itself is actually two pendants that become one. The top layer is a gold-tone butterfly cutout with 4 lower diamantes and the base pendant is a solid silvertone butterfly with another 9 diamantes. The two pendants together, appear as one.
