Description

Hilarious, Maddening Golf Gag!

Dad can watch the frustration build as his playing partner struggles to sit his golf ball on the tee!

Wonderful quality gag-wear from the Trick Golfball Company.

Classy hang-sell packaging. Makes an impressive gift for our golf-obsessed dads.

Five Star Review.... J Bibbs - The only thing more frustrating than golf itself is trying to tee one up and have the ball endlessly fall of the tee. Watch as your playing partner falls for this one. I guaran"tee" you and your buddies will get a kick out of this classic golf prank. I bought some of these a while back and it's just as funny as the first time, every time. Get 'em!
