

Floral Chopsticks with a Gift Bag

These are a Work of Art! In many Asian cultures the giving of chopsticks is considered a lucky omen and means togetherness and family closeness - as a pair of chopsticks is never apart.

Description

We are hoping these gorgeous Floral decorated chopsticks will mean good things for our Mums or that special person in our children's lives, this Mother's Day.

We are certain the kids will love to learn how to use them too! Makes a gift the whole family can use and enjoy!

We all relish noodles and Asian dishes these days and these stylish chopsticks will add to the ambiance at home meals

or are super handy for work lunches!

Comes ready for gift-giving with a Tasselled Silver Organza Bag.
