### Description

Natural Enhancement!

Have gorgeous, pouty lips in moments – at home, without Lip Fillers, Injections or harmful Chemicals.

Wonderful fun for Mum and her senior girls. Reusable time after time. Simply clean with mild soap water, rinse, allow to dry and its ready to go.

To use

First moisturise your Lip area.

Place the Fuller Lips Tool over your lips and gently begin to suck the air out of the tool and create a seal.

Hold for 15-30 seconds and then break the seal with your finger.

Check result and repeat if fuller lips desired.
