Description

This is a jazzed-up design of the wonderful classic scrunchie. This may well be the perfect hair accessory for those casual outings - sports, gym, camping or lazy Sundays at home. Just the thing to safely and loosely pull up your hair without the damage and breakage that can be caused through using tight hair bands. What sets these scrunchies apart is the dangling jewelled discs, that have a crystal cut reflective surface. Comes in three assorted colours - Pale Pink, Black and Fern Green. All with a gorgeous pale pink 'tasselled' organza bag. Recommended retail price for set of three without bag is \$9.99. Our special price is \$1.45 for each scrunchie with the gorgeous bag!
