

## Pineapple Ice Cube Tray

A Super Cool Gift for when the Weather get warmer. Perfect for adding to Dad or Pop's drink this Father's Day - or what the heck... all year round. Mum and Nan will particularly love these in their cocktails! The kids will love the novelty ice cubes that are quickly frozen within this super gift for DAD - that are easily removed from the flexible tray to add some fun to every special occasion.

### Description

Super Cool - It's a Gift that Keeps on Giving!

Wonderful for the warmer weather that hits us after Father's Day (All year round for our Northern Australians!)

Dad and the kids will love using these too – perhaps making flavoured Ice cubes – for extra fun.

Measures 18 x 14cm.
