

Pussweek

The kids will love choosing this gift for their cat-lover Dads. Based on the wildly popular magazine series Pussweek, written "by cats, for cats," this book is a feline take-off of all the celebrity gossip and fashion mags. In a world saturated with "Cat-Shaming," Pussweek gives cats their claws back! Every page turn reveals hilarious photos - you can't help but chuckle. See Further details below...

Description

Perhaps the Purrfect Gift for Cat Owners!

This book is a collector's edition featuring some of the series' most popular articles, like "Top 20 Most Satisfying Things to Push Off a Table," and "Somewhat Effective Workouts for Extremely Busy Cats," as well as tons of all-new material from cats who have a lot of dirty laundry to air.

Product description: "The Purrfect Gift for Cat Owners!" Perhaps the Purrfect Gift for Cat Owners! This book is a collector's edition featuring some of the series' most popular articles, like "Top 20 Most Satisfying Things to Push Off a Table," and "Somewhat Effective Workouts for Extremely Busy Cats," as well as tons of all-new material from cats who have a lot of dirty laundry to air.

A MUST-READ for every DAD with a Cat - He will Smile from Ear to Ear!

About the Author - Bexy McFly is a writer, designer and illustrator. She has lived all over the world and now splits her time between Sydney, Australia, and Naples, Italy. She runs her own magazine, *Pussweek*, which she created and built from scratch (pun intended). Her hobbies include eating cinnamon donuts and petting other people's pets.
