Description

Quality at an Affordable Budget Price!

Historically, tartans were woven in wool and reserved for Scottish kilts but transferred to this quality ceramic design it is made to enhance every homes' décor.

Some say the tartan design is suited to the colder months, but when it comes to a candle holder - it rocks all year round.

Perfect to add the ambiance of candle light and perhaps some fragrance to a special Father's Day dinner and every special occasion throughout

Under \$3 : Tartan Candle Holder

the year.

So very versatile... this ceramic holder may be used with multiple types of candle styles - tealight, tapered or even a small pillar candle.

(Please note - comes empty - no candle included for this price)

This is a beautiful quality gift - particularly at \$2.95 - but better still if you can afford to gift/sell in lots of twos... as they make a stunning pair.

Please note also that we will dispatch in boxes of two... so the minimum purchase is 2 units...as they are factory packaged in sets of two.

You will need to securely bubble-wrap if selling/gift-giving in single units purchased at \$2.95.

If purchasing in bulk you are welcome to request a discounted price - if stock is still plentiful and you are ordering well in advance.
