### Description

*Original Retail Price \$12.95!*

The Elly Hand Warmer is designed in Australia and may well be the most comforting elephant ever. Perfect to warm you up on a chilly night or soothe an ache without a fuss.

Exclusive to Star & Rose, it contains Silcon Heat and Cool beads. Silicon is an odour free, safe alternative to wheat fill and can be heated in the microwave or placed in the freezer.

Measures 18 x 13 x 3cm at widest. Comes complete with instructions and is individually sealed in a plastic pouch.

Beautifully made with an embroidered eyelashed-eye and a decorative appliqué white star.
