Description

Innovative Flexible Phone Mount!

With a suction cup at each end and a flexible middle section, it is quick and easy to mount your smart-phone to any smooth surface.

Wonderful for use in the gym while on the treadmill, on the kitchen bench while cooking dinner - using the web for a favourite recipe, on your desk while listening to music or watching videos. Also makes a great earplug wrap when not in use!

Comes with a complimentary Organza bag. Measures 5cms in Height & 4cms Round.
