### Description

**This Book is a Piece of Art and Makes a Delightful Gift for Every Mum... who will pass it on to her daughters!**

**Simone B Cox** says...A book that you can ready and engage with! This is a lovely book from cover to cover. Very artful, engaging, and practical all at once. I have several books on women's empowerment and most of the themes are the same. BUT -- this book was so engaging from end-to-end. I highly recommend it!

**S J Steyer** says...Beautiful book, Beautiful message. This book is so inspiring. I love the beauty of each page! It's easy to read and powerful to comprehend. I want to buy copies for all my friends!

**Maxine Perkins** says...A beautiful book, reflecting the beauty and strength of women... YOUR STORY IS YOUR POWER gently leads you into the center of yourself, where you can greet the aspects of you that make you strong, and give a good talking-to to the ones that wear you down. With gorgeous illustrations and deep insight, this book is leading me on the path to live a stronger, clearer, happier life. A worthy investment -- for me, my mother, my daughters, my friends.
